

## SESE Website - Feature #1547

### Track Subscription Status of Customers

08/13/2019 04:42 PM - Pavan Rikhi

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Pavan Rikhi	<b>% Done:</b>	0%
<b>Category:</b>	Customers	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	v2.0.0 - Post-Migration Issues	<b>Spent time:</b>	0.00 hour
<b>Easy Pickings:</b>			

#### Description

Keep a `IsSubscribed` field in the customer model. Sync this field to Sendy on a recurring basis using their API: <https://sendy.co/api>

When a user subscribes using the sidebar form, update the field value.

When a user is subscribed, add an "Unsubscribe" link to their My Account page & hide the sidebar widget.

Note: there is currently no "get all subscribers" API endpoint for Sendy. This project adds one:

<https://github.com/gellu/sendy-api>

But we could also just write it ourselves in a custom PHP file.
